

# *Haven't Signed up Yet?*

There is still a sign up sheet @ Coldwater Band Office for assistance in **GETTING YOUR DRIVER'S LICENSE!**

We will be doing a one or two day class depends on how many Coldwater Band members sign up, where we will go over the book to prepare you before you do the written test to achieve your "L"

Then once you have your "L" you are able to sign up with local trainer Fox Consulting for so many hours of lessons, you will need your own vehicle of course.

Any questions please call Glenis Holmes or Val Collins  
@ Band Office 250-378-6174.
